

A Letter from the Directors

Dear Wico Campers, Staff, Parents and Alumnae,

Carly, Corey & Justin

Greetings & happy 2024 from Wico! We hope that you are enjoying the winter. The New Year is an exciting time at camp. Our summer planning ramps up, projects at camp start to take shape, camper groups fill and we continue to hire amazing staff. In short, we can envision the summer to come and we can't wait to get started in less than 150 days with our First Session and less than 200 days with our Second Session!

We were fortunate to reunite with many of you at our New York and LA area reunions. Thank to those who joined us! See page 2 to view photos taken at each of these events. We reunited with returning campers and met some incredible first-time campers. A big thanks to these awesome Wico Staff for their help: Juliette G, Katy C, Priscilla, Lisa S, Bridget S (and Teddy, of course!), and Sophie D and to Amanda Kingloff, a Wico parent, who assisted us again this year. Amanda designed special Wico "shrinky dinks" for our New York event and taught all of us how to make them! Our Boston event was rescheduled due to weather. Thanks to Jess Moore for help in LA! We look forward to that event on February 10th!

In the months leading up to camp we will be busy speaking with many of you. As questions arise, don't hesitate to ask! Rest assured that questions that may feel silly are, in fact, often the most important to ask. Remember that you are not the only one wondering about packing, bunking, camp food or laundry—to name a few! Parents of first-timers, please join us for our upcoming Campfire Chats. Topics will include packing, completing camper forms and adjustment to camp.

Keep an eye out for updates on our building projects. We have some fun projects in the works and will share those details with you in the months to come! As always, you can expect a few surprises at camp this summer, so stay tuned!

**Lots of
Wico Love,**

Corey, Justin & Carly

Dear Liz...

I hope that everyone is having a wonderful start to 2024! I am so excited that camp is officially THIS YEAR! It was wonderful to see so many campers (new and returning) and staff at the New York area reunion! We have been busy hiring our 2024 staff and are excited to welcome so many 2022 and 2023 back to their summer home!

I have received some great questions from all of you—thanks! Remember, if you have ANY questions (camp related or not) that you want featured in the Wicosutan, send them to liz@campwicosuta.com for the next Dear Liz column!

Dear Liz,
I totally forgot to let you know, I want to be a big sister! Is it too late?
Best, Samantha the Spirited Sister

Dear Samantha-
It is not too late! Thank you for volunteering to be a big sister. Big sister matches begin this month and continue on a rolling basis as new campers enroll until the beginning of each session! Every single new camper will receive a big sister. Everyone who wants to be a big sister should continue to let me know and I will do my best to get everyone a match! Once you have your pair, you will receive monthly journal pages to help you keep in touch and make connections with your camp sister before summer! We have fun big/little events planned once camp starts, as well!
Best, Liz

Dear Liz,
My daughter is begging me to sign up for horseback riding this summer. When and where should I do this?
Please help, Mother of Galloping Gabrielle

Dear Mom,
This is a very common question! Horseback riding is a private lesson at Wico. Sign-ups for private lessons will open in March and are completed through your Forms Dashboard on CampMinder. We also offer private lessons in tennis, volleyball, gymnastics, and soccer. There will be several communications sent out with reminders about signing up for privates – including the 2024 family handbook which outlines everything you need to know! Space is limited for the available private lessons and allocated on a first come, first served basis.
Hope this helps!
Liz

Thank you, as always, for reaching out. I look forward to helping our staff and campers get ready for an unforgettable Summer 2024 ahead! Thanks for all the questions, keep them coming! Counting down until Summer 2024!

Love, Liz

COFFEE CHAT

with Catherine

Dear Wico Peeps,

As the winter chill settles in and the days grow shorter, many of us find ourselves yearning for the warmth and nostalgia of camp. The memories of campfires under the Old Pine Tree, kayaking on Newfound Lake, and our Wico friends linger in our minds. Fortunately, there are plenty of ways to bring the spirit of Wico into the winter months!

1. **Campfires Under the Old Pine:** Recreate the magic of sitting around a crackling campfire by gathering your friends or family and sharing stories or singing campfire songs. Treat yourself to chocolate chip cookies and milk, just as we do after every campfire at Wico!
2. **Crafting at the Art Barn:** Make friendship bracelets, create "shrinky dinks", or try your hand at DIY camp-themed decorations. See below for instructions for an activity that you can try at home!
3. **Winter Waterfront:** Go ice skating or organize or attend a winter polar bear plunge!
4. **Connect with Camp Friends:** Write letters, call, and schedule times to connect with your camp friends. We recently saw many campers at our NYC reunion in January – and it was incredible!

Bunk Popsicle Stick Photo Frame

MATERIALS:

- 11 Popsicle sticks
- Green & brown paint
- Green paper, cut into tree shapes
- Glue
- White label

STEPS:

1. Paint 7 popsicle sticks brown and 4 popsicle sticks green. Let dry.
2. Arrange brown popsicle sticks into square shape, with two sticks on the left, right, and bottom, and one popsicle stick on the top.
3. Arrange the green popsicle sticks into a triangle with the top of the square.
4. Attached trees to corner of frame and add label for photo description.
5. Glue your favorite camp photo to the back of the frame.

You now have a reminder of an incredible summer memory to keep you excited for Summer 2024!

While the winter months may bring cold temperatures and snow-covered landscapes, the spirit of Wico can continue within us. Gather your friends, bundle up, and let the warmth of these Wico-inspired activities brighten your days. After all, the magic of Wicosuta knows no season!

Love you a latte, Catherine

WICO CAMP SISTER PROGRAM

Calling All Wico Big and Little Sisters (aka First-Time and Returning Campers)! We are gearing up to announce our first round of Big/Little match-ups! We match on a rolling basis and as campers enroll in camp.

I am a first-time camper. When can I expect to hear from Wico and then from my big sister?

If you have not heard from us already, we will email you with your big sister's contact information in the next few weeks. We will also share a journal page that you may complete and send to your big sister to help her get to know you and vice-versa.

I am a returning camper who wants to be a big sister. What do I do next?

Are you a returning Coo or older? If you answered "yes," email liz@campwicosuta.com and let her know that you want to be a big sister (if you have not already). Liz is looking for volunteers and would love to hear from you! Please note: If you have already been a big sister, you may volunteer again! All returning Agawans will be matched automatically. It's one of the ways these older campers take on leadership at camp. We match up new campers as they enroll. For big sisters, that means that some of you will hear from us in February and others later in the year as we continue to match first-time campers.

For both big and little sisters:

Once you get your camp sister's name and contact information, we encourage you to reach out to each other ASAP. There's no reason to wait! We hope that you enjoy getting to know one another!

Kings n' Queens n' Bishops, too, Wanna wish the best to you!!

Wico Gives Back

The Ngom Family (Nikki, Rayna, Amath and Lebasse) delivered boxes of leftovers from our summer kitchen to a pre-school in Senegal. We were so happy to see these photos and to know that the extra food did not go to waste! We hope that all of the kids were able to enjoy these snacks as we do over the summer!

We are proud to support the efforts of recent alum and Totem '23 camper, *Sofia Ramos*. Please join us in supporting Sofia and this incredible cause!

Hi! I'm Sofia Ramos, 15 years old, and live in Short Hills, New Jersey. I was a Totem in 2023 and went to Wicosuta for 5 years. I reached out to Wico and to you to help me raise awareness and support for the Leukemia & Lymphoma Society's (LLS) Student Visionaries of the Year fundraising campaign. I am part of a team competing in Northern New Jersey along with two of my best friends, Pia and Alexandra. Our team name is Hopeful Hearts, and our campaign runs from January 10 - March 2, 2024. My family has had a long and difficult history with different types of cancers. From my cousin, who had recurrent cancer treatments for 10 years throughout his childhood, to my grandma, one of the people who I could truly not live without, beating breast cancer 5 years ago. We have been very fortunate to have gotten through it all. However, I have seen the difficulties of being in the family of a cancer patient firsthand, so my friends and I want to help provide people with the support they need through these difficult times. One of my passions has always been helping others by being someone people know they can always count on no matter what, something that Wico has always helped me do. Through

our Project Morrey Campaigns Zuni year and helping lead my Color War team, Wico has taught me how to care for others and be a leader. LLS allows me to spread this support beyond just my inner circle and look to help people who have to watch their loved ones go through these terrible experiences. So, if you could take a moment and donate through this link: <https://events.lls.org/cran/svoynorthnj24/thopefulhe> or QR code below to help raise awareness and funds for cancer research and patient care, I would be so thankful.

We have also included information with the different sponsor levels and benefits here for you to review. As we mentioned, our campaign kicks off on January 10 and we are able to accept the commitment forms whenever but we can't accept payment until January 10. Please don't hesitate to reach out if you have any questions or need anything else from us.

Thank you so much again for your time, and we hope to hear from you soon,
