

THE WICOSUTAN

Building Confidence, Competence & Community Since 1920

Spring 2026

Letter from the Directors

May has arrived, and with it comes longer days, warmer air, and a growing sense that camp is just around the corner. Around here, that can only mean one thing: we're getting ready for our 106th summer at Wico!

One of the highlights of the past few weeks has been bringing our Leadership Team together. These virtual gatherings are a special part of the preseason—time to think ahead, share ideas, build connections, and laugh together. This group is made up of an incredible mix of returning staff and new additions. You'll find more about them in this newsletter. We're excited for you to get to know the people who help make Wico such a thoughtful, fun, caring place!

Looking ahead to the summer, we're especially excited about what's coming to the stage in 2026: Lower Camp will journey under the sea with "Finding Nemo", and Upper Camp will step into a world of pure imagination with "Willy Wonka". We can't wait to see the creativity, confidence, and fun that come out of these productions.

Our library is another place where that imagination thrives, and we'd love your help refreshing our shelves! If your camper has a favorite book (or a few!) that would be great for ages 8-15, please send them along. [Email Corey](#) with the title, author, and recommended age by June 12th!

And finally, thank you. The messages, updates, and check-ins we've received over the past few months remind us that Wico isn't just a place—it's a community that stays connected all year long. Your excitement is contagious! We're counting down the days and can't wait to welcome everyone back to Wico. See you soon in 03241!

Lots of Wico Love,

Corey, Justin, & Carla

Wico Kitchen FAQs

We understand that having tasty, healthy food is important and it's one of our priorities! Our goals are to provide a VARIETY of HEALTHY food that kids LIKE TO EAT!

In addition to a main entrée & side dish served for each meal, we offer the following staples:

Breakfast: fresh fruit (including berries), yogurt (Greek and regular), hard-boiled eggs, milk (non-dairy options available), a variety of breads, hot and cold cereal

Lunch: extensive rotating salad bar, deli/sandwich bar, yogurt, hard-boiled eggs

Dinner: extensive rotating salad bar, deli/sandwich bar, pasta option (with or without sauce), yogurt, hard-boiled eggs.

** We serve two healthy snacks—one mid-afternoon and the other before bed.

How does food service work?

We serve buffet-style. Campers and staff have access to several food stations at each meal.

What do you do to make sure the food at camp is healthy?

Lots of things! We collaborate with a nutritionist and our terrific food service providers who review our menu and makes recommendations. Additionally, we make as much from scratch (in our kitchen) as possible. There are healthy protein and vegetable options at each meal. Our staff encourage campers to try new things and to balance their plates.

What if my daughter cannot find something she likes to eat?

Our counselors are happy to help campers find things that they'd like to eat. Our dining hall manager is a great resource, as well. She will happily help any campers who are having trouble find appropriate options.

We strongly recommend that all parents thoroughly read our family handbook. In this document we outline our policies regarding communication, electronics and health care, as well as transportation to and from camp! We update this document annually.

Coffee Chats with Catherine

HEY WICO!

It's been a chilly start to the spring here in NYC, but that only has me DREAMING of summer! April has FLOWN by and it's beginning to feel like camp is just around the corner. With that, it means it's time for me to pack up my apartment and get ready for the move to Hebron, NH! I have my Wico ts, sweatshirts, sneakers and sunscreen, but I always make sure to pack a few camp "essentials" of my own. Here are a few of my **MUST HAVES** at camp:

1. **Crazy creek:** I absolutely need my tie dye crazy creek for campfire!
2. **Travel coffee mug:** I am a big coffee drinker during the "off-season," but cannot go without it at camp!
3. **Hotdog socks:** For crazy sock night, of course!
4. **Crocs:** Crocs are my go-to shoe at camp. You might have even seen me hiding them around camp for the Oski and Casco morning meeting challenge!
5. **Hands-free dog leash:** For my dog Bean, who gets to bop around camp with me! She loves being out and about at camp and has missed the Wico campers saying hello to her everywhere we go!

What are your camp **MUST HAVES**? Email catherine@campwicosuta.com to share yours. Bean and I cannot wait to see you at camp soon!

Love you a latte,
Catherine

Carla's Campfire

If you listen really closely... you can almost hear it... The crackle of the campfire. The splash of someone jumping into the lake. The sound of someone singing the goodnight song from across camp. Lately I've been catching myself daydreaming about our campfire cookies, talent shows, and jumping in the lake for the first time!

Even though it may not feel like it yet, camp is right around the corner!!

Right now, all around the world, some very important camp prep is happening! Counselors are getting ready to meet YOU, duffels are being pulled out of closets, and our Wico family is getting ready to head to our summer home in the 03241.

This is around the time when excitement starts to sneak in in funny little ways: You might start wondering who your counselors (and bunkmates!) will be, or a random camp memory pops into your head and suddenly you wish you were already in New Hampshire. And if you're feeling a mix of EXCITEMENT and just a tiny bit of nerves that's totally normal, too!

Between now and the first day of camp, I have a few Carla's Campfire Challenges for you:

- Write down 3 things you're excited to try for the first time at camp this summer
- Teach a family member a camp song (bonus points if they go all in)
- Start to compile your ultimate summer playlist and get it ready to go for camp!
- Start a list of things you want to tell your bunk on the first night

We're getting everything ready for you here, and trust me... it's going to be SO worth the wait. YIPPIE!!! See you SO soon!

With Wico Love,
Carla

WHAT'S NEW AT WICO?

It's been a very busy season, "behind the scenes" at camp, making the grounds of Camp Wicosuta an even more wonderful place! We can't wait for campers to experience all that's new:

New Tennis & Pickleball Courts

- We're excited to announce the addition of three brand-new tennis courts! Whether you are a seasoned player or picking up a racket for the first time, you will have more space than ever to rally, serve, and shine. The fun doesn't stop there — the courts will also be outfitted for pickleball, one of the fastest-growing sports in the country! Looking ahead, we have plans to add lights to the courts to create more opportunities for special activities and evening play time. Stay tuned!

A Refreshed Pool Experience

- Our beloved pool is getting some well-deserved attention this year! We have invested in a smooth new pool liner surface and a brand-new pool heater to make every swim session more comfortable and enjoyable. Whether it's free swim, lessons, or a friendly competition, the pool will be sparkling, safe, and ready for endless summer fun.

Upgraded Bathrooms in Bunks 20-23

- We have fully upgraded the bathrooms in Bunks 20, 21, 22, and 23. These updated spaces include new showers, sinks, toilets, countertops and increased shelving/storage. These renovations reflect our ongoing commitment to creating a warm, welcoming environment where every girl feels at home. We have also added enlarged exhaust fans to help keep these bunks cooler on hot days.

New Dining Hall Deck

- Our dining hall deck received a facelift! We removed the old deck and replaced it with a brand new one. The new deck is freshly painted and ready for you to enjoy!

Fresh Paint & Beautiful Grounds

- Finally, this summer, many of our buildings will be freshly painted, giving our beloved camp a bright, cheerful new look. We're also sprucing up the grounds, pathways, and walkways throughout camp!

Kudos to Shawn and his team for working daily through tough weather conditions to provide a great facility for our camp community!
